Training Courses - Options & Prices

Fibreplus Ltd.
Units 1– 4 Brook Lane,
Westbury, Wiltshire, BA13 4ES

Tel:- +44 (0) 1373 826634
Fax:- +44 (0)1225 436242
Email:- Training@fibreplus.co.uk

Fibreplus offer a range of universally recognised qualifications, which are City & Guilds based and Industry recognised. Also, bespoke courses pertaining to fibre optics and copper are available on request with accredited certification directly from Fibreplus Limited Training.

Can't find a course which suits your needs in either time scale or content, please allow us to work together to achieve and deliver your needs, as not all set courses address your Company's requirements or simply has content not required, which detracts from their main training requirements. Some Companies want only practical experience so attendees can return to work to deliver a specific task immediately.

Price Challenge. We guarantee that you will not be able to find this course at a lower advertised fee anywhere else in the UK on a like for like basis, or we will provide the course at 5% less.

Block Bookings of 5 or more persons, on any one week, are eligible for discounts on certain courses, with exception to Promotions / Discounted offers.

Discounted Prices are only available for courses at our main training centre in Westbury, Wiltshire due to available subsidies

Training Centre Contact (outside the UK) + 44 (0) 1373 826634 within the UK 01373 826634 for further information or e-mail: - eng@fibreplus.co.uk

We provide **Fast-Track** (2 or more courses condensed) courses for the 3667-02 / 7540-12 City & Guilds Schemes, in particular to 3667 units 2 & 3 where content of both overlap in both theory and practical content, this reduces the time away from the work place and accommodation costs.

All Courses are Accredited, you will receive Approved Certification for all courses attended, most of our courses are **65-80% hands-on practical training**, all training delivered is targeted against each individuals needs, we train those with no previous telecoms knowledge to those with many years experience.

For further details or to register for any of the above courses,

Please call + 44 (0) 1373 826634 to discuss your requirements or email eng@fibreplus.co.uk

Course cost includes lunch, refreshments, course material and exam/registration where appropriate.

Accommodation is not included. Information on local hotels and B & B is available on request.

Course fees are exclusive of VAT.

Current List of Courses and Subjects Available
